ORDER:

In the reference 1st and 2nd read above, the Engineer-In-Chief, Medium Irrigation has informed that the Central Water Commission officials have also informed that for clearance of modernization of Medium Irrigation projects lying in the river basin with in Andhra Pradesh and new Minor Irrigation projects under **Andhra Pradesh Irrigation and Livelihood Improvement Project** by the Government of India, the following process is to be done at State level.

1. To constitute a Technical Advisory Committee at State Level for approval of the modernization of Medium Irrigation projects and new Minor Irrigation projects.
2. After approval by the TAC at State Level, State Government has to accord investment clearance for these schemes.
3. A copy of Proceedings / Minutes of Technical Advisory Committee and copy of the investment clearance of the State Government has to be submitted to the Director, PP (N&S), Central Water Commission, New Delhi for issue of prerequisite certificate for the projects as per Central Government norm. This will enable State Government to get reimbursement for the externally aided projects.

After careful examination, **Technical Advisory Committee** is constituted with the following members.

- | | | |
|---|---|----------|
| 1. Engineer-In-Chief, Medium Irrigation | - | Chairman |
| 2. Chief Engineer, Hydrology | - | Member |
| 3. Chief Engineer, Minor Irrigation | - | Member |

Technical Advisory Committee will examine the aspects of Hydrology, water balance and BC ratio etc., for the Medium irrigation projects taken up for modernization and construction of new Minor Irrigation Projects under Andhra Pradesh Irrigation and Livelihood Improvement Project and accord necessary approvals for these Projects.

Contd..2..

- 2 -

The Engineer-In-Chief, Medium Irrigation is requested to take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
